INGEST.04 Test Report

35011 (V) – Create a new version 2 of REYNSST ESDT

Test Plan: Install new version 2 of REYNSST ESDT. Verify can be install successfully.

Test Report: Successfully verified that new version 2 of REYNSST ESDT can be installed correctly.

35028 (V) – Support for new REYNSST format

Test Plan: Verify ingest of new REYNSST (Version 2) format data via polling.

Test Report: Successfully verified ingest of new REYNSST (Version 2) format data via polling – ingested data several times to show robustness.
